

Album Of The Week

SLY and the Family STONE FRESH

including:

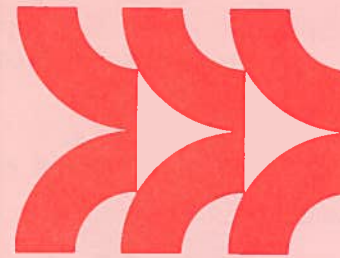

If You Want Me To Stay/I Don't Know (Satisfaction)

If It Were Left Up To Me

Que Sera Sera (Whatever Will Be Will Be)/Frisky

Always one of the most consistent hit-makers in contemporary music, Sly proves again that he is also one of the most dynamic and exciting creative forces on the scene today. "Fresh" is another slinky, funky, fascinating musical adventure, with the usual brilliant Sly songs and production.
