LYRICS

YOU AIN'T SEEN NOTHING YET

By Bachman-Turner Overdrive

I met a gentle woman,
She took my heart away,
She said I've had it coming to me,
But I wanted it that way.
I think that any love is good lovin',
So I took what I could get,
She looked at me with big brown eyes,
And said

(CHORUS)

You ain't seen nothing yet,
Baby you just ain't seen nothing yet
Here's something that you're never
Gonna forget.

Baby you just ain't seen nothing yet
Nothing yet, you ain't been around.
And now I'm feelin better,
Cause I found out for sure,
She took me to her doctor,
And he told me I was cured.
He said that any love is good love,
So I took what I could get,
Yes, I took what I could get,
And then she looked at me,
With her big brown eyes, and said

(REPEAT CHORUS)

Any love is good lovin',
So I took what I could get,
Yes, I took what I could get,
And then she looked at me with her
Big brown eyes and said,

(REPEAT CHORUS)
