## TELL ME SOMETHING GOOD

By Rufus

You ain't got no kind of  
feeling inside.  
I got something that sure  
enough will set your stuff  
on fire.  
You refuse to put anything  
before your pride.  
What I got will knock your  
pride aside.

(CHORUS)

Tell me something good,  
Tell me that you love me.  
Tell me something good,  
Tell me that you like it.

Got no time is what you're  
known to say.  
I'll make you wish there was  
48 hours to each day.

Your problem is you ain't  
been loved like you should.  
What I got to give will  
sure enough do you good.

(REPEAT CHORUS)
