LISTEN GOOD by Scott Burton

It's now officially Springtime and it's only fitting that I give you my "Ode to Spring":

Spring is too rainy and
Summer too hot,
Fall is soon over and
Winter is not.

You may notice on the cover of this "Listen List" are some more beautiful pictures of beautiful me, taken during my beautiful Luxury Survival Test at the beautiful Radisson South Hotel.

A great big "HELLO" to all the fellas and gals who are in our Twin Cities for the State High School Basketball Tournament. Good luck to all the teams.

A special bit of congratulations goes out to the Gopher State Timing Association for their successful Rod and Custom Show. The cars on display were absolutely fantastic.

WDGY will have an ecological booth at the Northwest Boat, Sports, and Travel Show. Yours truly will look forward to seeing you at the show, along with the other WDGY Jocks and the lovely models from Estelle Compton . . .

My favorite record on our "Listen List" has got to be "Joy to the World" with Three Dog Night. I just wish Donald K. Martin would not try to sing along with it.

Don't forget the "Motown Story" this Weekend.
