LYRICS TO A TIGER TOP TUNE

*Haunted House*

I just moved in my new house today  
Moving was hard but I got squared away  
Bells started ringing and chains  
rattled loud  
I knew I'd moved in a haunted house.

Still I made up in my mind to stay,  
Nothing was a goin' to drive me away  
When I seen somethin' that give me the  
creeps  
Had one big eye and two big feet.

I stood right still and I did the freeze  
He did the stroll right up to me  
Made a noise with his feet that  
sounded like a drum  
Say, you be here when the morning come?

Say, yes I'll be here when the morning  
come  
I'll be right here and I ain't gonna'  
run  
I bought this house now you know I'm  
boss  
Ain't no haunt gonna' run me off.

In my kitchen my stove was a blazin'  
hot  
The coffee was a boilin' in the pot  
The grease had melted in my hand  
I had a hunk of meat in my hand.

From outer space there sat a man  
On a hot stove with the pots and pans  
Say, that's hot, I began to shout  
He drank hot coffee right from the  
spout.

He ate the raw meat right from my hand  
Drink the hot grease from the frying  
pan  
He said to me now you better run  
And don't be here when the morning come.

Say, yes I'll be here when the morning  
come  
I'll be right here and I ain't gonna run  
I bought this house now you know I'm  
the boss  
Ain't no haunt gonna' run me off.
