LISTEN GOOD by Bob Dayton

A big "hi" in your ear from the newest member of the WDGY team. A month on the air and I'm still trying to convince everyone I'm no relation to the department store. People keep calling me Bob Donaldson and someone even introduced me as J. C. Penny.

I was all set to give Sly and the Family Stone a big round of silence for copping out on Friday night's performance at Met Sports Center, but came to find out that due to a dispute with their manager the group broke up that same night. Still not too many details on just what happened but hopefully it won't be for good.

If you're one of those who thinks Elvis is still "king"
. . . you're right! Fifteen years and still going strong
with the most solid gold records of any artists. Presley,
then and now, is the subject of our WDGY weekend
starting Friday at 5.
