**LISTEN GOOD** . . . . . by Bob Dayton

Hi! Me again . . . Well, Spring has hit in the worst way, and our WDGY "Salute to Spring" didn't help any. Last weekend I washed my little bug, put the top down and ran to the nearest park where I threw down a blanket and let our nearest star do its thing on my bod. Fantastic!

Easter, Lt. Calley, Spring housecleaning and the Sensuous Woman . . . just some of the things we talked about on the Dayton Show last week and that's what the "Listen Line" is all about — people talking and having fun. If you haven't joined in yet here's a Bob Dayton "invite" to do so at 827-9911.

The next couple of weeks will see some great talent in the Cities. B.S.&T. on the 18th, the Carpenters with the Minnesota Orchestra the 23rd and Chicago on May 3. And speaking of big things to come, this is going to be a WDGY Summer like you've never seen . . . just wait!

Have fun!
