WDGY

presents a Weekend
"ECOLOGY"

APRIL 2, 3 & 4

"A SALUTE TO SPRING" - APRIL 9, 10, 11

Records heard this week on

WDGY

LISTEN GOOD . . by Johnny Canton

Hope you enjoyed our past weekend--The Motown Story. It's really incredible to think that such a monstrous record company began with less than a thousand dollars just a short 12 years ago! And, the Motown hits just keep on a-comin'. Next weekend - Ecology.

The big news around the hallowed halls of DGY is the new Morning Show which begins Monday, April 5th starring Scott Burton, Donald K. Martin and yours truly. Being night people, I don't know how in the world I'm going to get up at such an early hour. Scott and Don have offered to supply me with 25 alarm clocks plus call me at home every five minutes beginning at 6 a.m. so I'll make it on time. By the by, Bob Dayton will handle 10 a.m. to 3 p.m.; Charlie VanDyke, 3 to 7; Jimmy Reed, 7 to midnight and King Michael, midnight to 6.

How about all of the talent coming to The Twins in the next few months: Don Ellis, Brewer & Shipley, Quicksilver Messenger Service, Blood, Sweat & Tears, Chicago, Jose Feliciano, Rod McKuen, Procol Harum, John Lee Hooker and many others. Wow!!

Don't forget - I'll be helping you get up on The New WDGY Morning Show, beginning Mon., April 5th!
