

Midnight . . . and a hush falls across the white plains and evergreen woodlands of KDWB land. Then, out of the night comes the Night Creature, Dick Halvorson . . . and for six hours he entertains night owls with a bright mixture of music and fun. Dick advises his listeners to drink a magic mixture of Ovaltine and coffee. "You can't sleep but you don't mind staying awake." Genial Richard is a native of St. Paul, attended Augsburg College, served in the Army, worked in the advertising specialty business, got into radio 5 years ago, has deejayed at stations in Hannibal, Missouri, and La Porte, Indiana. Builds radio-controlled flying model airplanes as a hobby.
