## UP WITH ROCK

By the time you read this we hope that our transmission of our FM signal from the IDS Center roof will be close to reality or already in operation. KQ92 will transmit from the tall tower which is toward the northwest end of the building. We would like to receive post cards from our listeners to tell us how well the new signal is received from KQRS-FM. And thanks for your patience during recent equipment tests which necessitated that we sign off the FM station for several nights between midnight and 5 a.m. We feel that the inconvenience will have been worth it!

- The October issue of the Street Sheet will be published in the Twin Cities Reader to acquaint more folks with our monthly program publication. If you're a Reader reader and don't know about the KQ92 Street Sheet, it's available on or about the last day of the previous month or the first day of the current month, located near cash register checkouts in almost all Twin Cities record stores and stereo-hi fi stores. Look for it!

- We haven't been able to keep record stores supplied with our new KQ92 bumper stickers, but we're trying. They are available exclusively through record stores and you will find them in most of the record store locations throughout the Twin Cities area. Get your free one and stick it on your bumper. No prizes involved but we appreciate your support!

- The "Robert Klein Hour" is a popular Monday night show on your radio station. Billed as the "Tonight Show" of radio, Klein's program is taped in New York City and features people like Robin Williams, Frank Zappa, Jimmy Buffet, members of the group Foreigner, and Peter Dinklage. You can hear it every other Monday night at Midnight on KQ92.

- BRAINSTORM, a program with information and entertainment for the 1980's is proving to be a popular part of the KQ92 Weekend. Gabriel Wisdom is host of the weekly program which features a "thinkpiece" from Timothy Leary. Brainstorm is heard Sunday night at 11:30 PM, just after "KQ Scope."

- The Comedy Hour returns as part of your KQ92 Weekend this month. Be listening to your radio station for an announcement of the exact time and day. Thanks for the response to all of you who called and wrote, asking about the comedy hour and requesting its return.
