KQ92 Information Line - 546-2022!

- From the "it seems too good to be true" department: but we hope to begin broadcasting our FM signal from the top of the IDS Center sometime during the next month. We want to hear from you when our power and FM antenna height are increased. Tell us how it sounds and how your reception is, especially if you live outside the metro area.
- Saturday, Sept. 15, beginning at 4:00 PM, KQ92 plays Led Zeppelin from A to Z! Hear virtually every Led Zep song ever recorded...played alphabetically, including all the cuts from their new album, "IN THROUGH THE OUT DOOR." We'll be giving away the entire Led Zeppelin library, so be sure you listen.
- Your Friday night "Six Pack" is ready and waiting on KQ92. Starting with the Memorex Midnight Album Hour we track six complete albums...beginning at midnight each Friday night. Call 546-2022...the KQ92 Information Line...for a list of the albums coming up.
- MARATHON '80...a New Wave rock n' roll festival...will happen at the University of Minnesota Fieldhouse on Saturday and Sunday, Sept. 22 and 23. New Wave rock performers will gather from New York, L.A., San Fran, Boston, Chicago, Detroit, Atlanta, Denver, Omaha and the Twin Cities. New Wave and No Wave bands will perform in rapid-fire succession for 10 hours each day, sponsored by the Coffman Union Program Council, proving that, if it's rock this must be Welcome Week at the U.
- They're here...now! Our own KQ92 "license" bumper stickers (the very first...maybe a collector's item?). Supplies are limited - look for them at most record stores if you didn't get yours at the State Fair.
