# 'Sunnyside up'

Revlon's one-shampoo lightener  
with the proteinized 'silkeners'!

## Go blonder—even if you're a brunette!

Thanks to Revlon research, Brunettes go lighter, brighter. Blondes go blonder. And Redheads glow with sunny highlights.

## One mild shampoo and you're through!

You can even lighten your hair an hour before a date.

## Gentle enough for young hair!

Its special proteinized 'silkeners' leave your hair soft and lustrous with sunny highlights. Never dry or dull.

## As natural as sunlight, only softer!

Gentle sun-blonding without brittle sun-dried feel!

Have Summer-in-the-Sun Hair Any Time of year!
