LISTEN GOOD by Donald K. Martin

Hello Folks,

This is your friendly neighborhood newscaster Donald K. Martin, pictured on the front with my good friend the Gypsy Lady, heard once in a while on The Morning Show. She is either about to bless me with her magic wand, or set fire to me with a match. The picture isn't clear.

At any rate, I do want to take advantage of this weak moment in the mind of our public relations director to invite you to join me and Charlie Van Dyke, along with our friends Truman, Harvey Wallbanger, the new opera star weatherman Barry Tone, Dr. Frank Stein, good ole Schultz the cop, and, occasionally, our livestock market report from Hugh Heffer. It all happens, twixt six and nine each morning on WDGY.

Love,

Don the K. Martin
