LISTEN GOOD King Michael

The All-night Listen Line Heavy: Joy to the World! (I can dig it) How about the "Salute to Three Dog Night" Weekend . . . Far, far out! Three Dog, Super Group **W O W !**

While WDGY plays more music the Twin Cities 'sees' more music! The sound of B S & T still hangs heavy, Hooker and Heat was right on and can you dig the Treacherous Folks coming in? . . . Buddy Rich/April 28, Chicago/May 9, Carpenters/May 23, Tom Jones/June 3, The Band, Delaney & Bonnie, John Sebastian, Butterfield Blues Band, Free, Muddy Waters, All on One Show/ June 26. (9 hours, open air)

By the way if you missed 'Hair' the first time around better get your things together to make it this time. Another 13 days of 'Hair' starting May 4th. 'Tis one heavy crew, all entertainers.

The Stones? . . . alive and well with a real king kong heavy, "Brown Sugar". All indications are for a 'Stone' smash!
COMMENT: What happened to "Love Story" in the Academy Award thing? My favorite film took gas from the Academy. What is the basis for an Oscar anyway? I thought acting skill, superb story, honest portrayal, beauty and tenderness were to be placed ahead of killing, maiming, violence, grotesque displays and vulgar language? Our peers condemn making hero's of convicted criminals ala Lt. Calley. Why then glorify and award a movie concerning Gen. Patton who was known for his 'wasting' of people, ethnic feelings and dis-regard for his superiors? But who are we, what do we know? We only buy the tickets, right? . . . Who said "Rip Off" ??? (no offense **GEORGE C.SCOTT**)

Peace and Love,

King Michael
