**LISTEN GOOD**..... by Bob Dayton

HELLO PEOPLE!

Imagine !! Waking up to Charlie Van Dyke in the morning? Well it's true, cheerful Charlie, known to many as "B'Wana Chuck", "Buzzard Man" and to select few as "Smacky Lips", will help open your peepers and put octane in your oatmeal every weekday A.M. til 10. What a way to get up! ! The only thing that could possibly be more exciting than that would be me in the afternoons 3 to 7 . . . . either that or driving across the Mississippi on I-494 in So. St. Paul which I rank as one of the high points of Twin City living.

Well those WDGY Sun Shares turned to money this week with prizes being traded on the air every other hour.

Congratulations to all the album winners last weekend during our special salute to C.S.N.&Y. Some of their greatest work on it.

A Bob Dayton "Thanks" to Tooth Ranger Cheryl Ause who snapped the picture of me on the cover during a recent tour of our studios. If you haven't seen us yet, summer is a great time to stop by and say hi. Just call our business office at 881-2633 and make an appointment.

Stay Happy,

*Bob Dayton*
