LISTEN GOOD . by Charlie VanDyke

Congratulations concerned Americans . . . Thanks to all who took time to sign our Anti-Polution petition at the Northwest Boat Sports and Travel Show. The over 10,000 signatures will now be presented to Gov. Anderson. A small part perhaps, but it does show people are concerned.

Congratulations Carpenters . . . Two gold records . . . "Close to You" the album and single. Johnny Canton, Scott Burton and Donald K. Martin (K stands for knowitall) are doing it together in the morning . . . 6-10AM . . . never have so few provided so much to so many so early so so . . . : Three Dog Night has hit again with "Joy to The World" it's giant on the Listen Line . . . Jimmy Reed (7-12 Mid) did not write the Sensous Man . . . Ponder This . . . while you're at work our own Bob Dayton (10 AM - 3 PM) is probably keeping your wife company . . . The Van Dyke Slot has moved up a couple of hours now at 3-7PM . . . Ben Boo spelled backwards is Neb Oob . . . The Foshay Tower leans to the left . . . Charlie Stenvig leans to the right . . . I'd like to leave you with words of wisdom from the Tooth Fairy: "I hope your teeth fall out".
