

CAPTAIN OF THE FRIEND SHIP

"The only thing tax-free these days is taxes," quips Bob Friend and we're off and running on another fast-moving edition of the Bob Friend Show. Fast becoming the top evening show in the Twin Cities area, Bob's three hours incorporates top pops, humor, homework help and timely information in a breezy format that identifies his show instantly. Rapid Robert is 23 years old and hails from the Hells Kitchen district of New York City which he calls "the juvenile delinquency capitol of the world". His hobby is wood carving and he has just finished a life-size statue of Bridgit Bardot which he intends to give to Hal Murray for Christmas.
