LIGHT MY FIRE
(As recorded by The Doors/Elektra)

THE DOORS
You know that it would be untrue
You know that I would be a liar
If I was to say to you
"Girl, we couldn't get much higher"

Come on baby, light my fire
Come-on baby, light my fire
Try to set the night on fire.

The time to hesitate is through
The time to wallow in the mire
Try it for we can only lose
And our love becomes a funeral pyre.
