LYRICS TO A TIGER TOP TUNE

**Everybody Loves Somebody**

Everybody loves somebody sometime.  
Everybody falls in love somehow.  
Something in your kiss just told me  
My sometime is now.

Everybody finds somebody someplace.  
There's no telling where love may appear.  
Something in my heart keep saying  
My someplace is here.

If I had it in my power,  
I'd arrange for every girl to have your charms.  
Then, every minute, every hour  
Every boy would find what I've found in your  
arms.

Everybody loves somebody sometime.  
And, although my dream was overdue,  
Your love made it well worth waiting  
For someone like you.

If I had it in my power,  
I would arrange for every girl to have your  
charms.  
Then, every minute, every hour  
Every boy would find what I've found in your  
arms.

Everybody loves somebody sometime.  
And, although my dream was overdue,  
Your love made it well worth waiting  
For someone like you.

Everybody loves somebody sometime.
