"SEATRAIN"			

LISTEN GOOD by Jimmy Reed

WHAT A WEEKEND IT WAS . . . Beautiful . . . Rod McKuen, and that's spreading a lotta love around . . . thanx Scott Burton. Thanx to George Young for two weeks of care while Dr. Gamble and St. Louis Park Methodist Hospital sure took care of me . . . can't lift the heavy stuff for a while.

HI TO MY FRIENDS . . . Sue in Dallas (stew for Brannif) ... Uncle Ed Feeney in San Jose ... Racquel Welch ... VP Ron Alexenberg of N. Y. WQAM D.J.'s in Miami, see you Easter Vacation. WDGY pays postage for these to be mailed all over the U.S., so I figured WDGY could handle my messages.

MAYBE I'M AMAZED . . . Paul McCartney is taping a Hollywood TV Special with his wife. Remember when the Beatles said they would never stay together. What their music has said . . . I never thought they'd end it this way. This year is 1/6th gone and how's your income tax? What ever happened to Jim Dandy or B. Mason Dean? I think we'll have to take a weekend and find out what happened to former WDGY D.J.'s.

MR. PROFOUND . . . I knew Joe Frazier would win . . . also Edina. Congratulations to the Hornets . . they are #1. All teams said it was hot playing in the Met. Center, even Edina . . . and they play and practice all year in-doors. They'll be back next year. Golden Valley made a pool party out of the State Swim Title . . . they'll be back next year also.

SOME OF MY FAVORITE THINGS . . . besides you . . . Brewer & Shipley coming up strong to my Bread & Cat Stevens. Jimi Hendricks "The Cry of Love" ain't too shaggy either.

PEACE AND LOVE AND LET'S PRAY FOR IT.
